Item # 3

SUBJECT: Discussion of Comprehensive Plan Outreach Methods

DATE OF MEETING: March 3, 2016

STAFF CONTACT: Daniel Galindo, AICP – Senior Planner

BACKGROUND:

At the February 18th regular Planning Commission meeting, the Commission discussed whether to establish a specific goal for public involvement in the comprehensive plan update process and various methods by which public outreach could be conducted. The Commissioners agreed to independently brainstorm ideas for such outreach before the next Planning Commission meeting when the discussion will be continued. The goals of this discussion will be to determine which outreach methods should be used and whether staff or the Commission will conduct a particular method.
