The Town of Purcellville, Virginia

Purcellville is an award-winning town of nearly 8,300 residents located in Loudoun County, approximately 40 miles west of Washington, DC. It has been honored for its green initiatives, most recently with the prestigious Siemens Sustainability Award for Small Communities. The Town has an elected Mayor and six Town Council members. Once a stop along the W&OD rail line, Purcellville has maintained its historic old-town feel through the restoration and maintenance of its many downtown structures, reflecting the Victorian architecture popular during the early 1900s. Today, Purcellville is the economic hub of western Loudoun County and a popular weekend destination for antiquing, entertainment, farmer's markets, wineries, breweries, distilleries and restaurants.
