10:00 AM - 12:00 PM
& 2:00 PM - 4:00 PM
At Purcellville Town Hall

If you are interested in the future of Purcellville, please attend one of the public comprehensive plan update workshops being held by the Purcellville Planning Commission on Saturday, November 5 at Town Hall (221 South Nursery Avenue). Each two-hour workshop will begin at 10:00 AM and 2:00 PM. During a workshop, you will be able to provide comments on various topics and questions that will help determine the final content of the updated comprehensive plan.

These workshops are the last part of a series of community engagement events that have been held this year to allow you to help shape the vision for our community. While we hope you will be able to attend one of the workshops, the same topics and questions will be posted online at www.PlanPurcellville.com following the workshops to allow you to respond even if you are not able to attend in person.

More information about the comprehensive plan update is available online at www.PlanPurcellville.com.
