dLehnig@purcellvilleva.gov

PURCELLVILLE: Route 690 S/ S. 32nd Street has been opened to traffic. The travel surface is packed gravel, from north of Nursery Avenue and continuing to the south end of the project (Rugby Court). Beginning September 8, 2009, weekdays from 8 AM to 2 PM, traffic will be restricted to one lane between Rugby Court/Glendale Street and Nursery Avenue for continuing work by the Contractor on storm sewer/curb and gutter and sidewalk. Motorists may experience delays during these times. The Contractor may also be working on Saturdays, between 8 AM and 5 PM. We anticipate final completion and full re-opening of the roadway affected by the project not later than the end of September, 2009.

During the week of September 14, with one lane of traffic open on weekdays between 8 AM and 2 PM, the Contractor will continue grading for the sidewalk that will be constructed on the east side, between Rugby Court and Nursery Avenue along 690S./S. 32nd Street. We anticipate curb and gutter to be installed along 690 S./S. 32nd Street, between Nursery Avenue and Rugby Court, during the week of September 14th. Work on the sanitary sewer that will parallel Nursery Avenue (within the lots south of Nursery Avenue) began on September 8th and will continue the week of September 14th. .

If residents would like to be e-mailed press releases and/or project updates related to the Route 690 S. /32nd Street Infrastructure Project, please contact Dale Lehnig at dLehnig@purcellvilleva.gov. Weekly updates are also posted on the Town's website (www.purcellvilleva.com), Town Special Projects, 690S/32nd Street Infrastructure Improvements project.

End.
